

EXTENSION BAR 1/2DR X 10IN

The GreatNeck Extension Bar provides a 10 inch extension for ratchets and sockets. The extension bar features a chamfered drive end for easy attachment and a locking ball retainer to hold the attachment in place. A knurled pattern allows for a strong grip and maximum control. The bar is composed of chrome vanadium steel for strength and durability and is chrome plated to resist rust. Chrome Vanadium Steel for Strength and Durability Chrome Plated for Rust Resistance Chamfered Drive Ends for Easy Engagement Ball Socket Retainer Knurled Grip Inner Pack 10 Case Pack 40
