Product Description

SCANNER C ERASER OB

- CAR CODE READING: This scanner is a professional tool that supports 9 different languages, easy to read and use. It is a professional tool that can be turned on.
- EMISSION CODE READING: This scanner can read and clear codes from newer vehicles.

systems that monitor your emission control systems. View the freeze frame data and display I/M readiness.

- **MONITORING TYPES:** This OBD reader shows VIN numbers and serves as a misfire, fuel system, EGR, EVAP, oxygen, and catalyst monitor.
- **USER-FRIENDLY:** A car scanner with easy-to-use menus, this automotive tool supports 5 languages, imperial/metric units, & comes with a backlit display giving you the freedom to work all through the day whether at home or the garage.
- **WORKS ON OBD II COMPATIBLE VEHICLES:** This unit is suitable for most US, European, and Asian manufactured cars and all OBD2, EOBD and CAN compliant vehicles. Look for the OBD II or OBD II Certified marking on your vehicle emission control information to know if your automobile is compatible.
